

Streamate

How do I switch to Streamate Dailypay with an existing account? (no earnings yet)

(this is for accounts that have zero earnings on their balance yet, eg never worked)

To add your independent Streamate account to Streamate Dailypay you can email liz@streamate.com from your registered SM email address and ask to either be added to:

- UK/US/CA/Rest of world excluding Eastern Europe

- admin@adultworkwebcammers.co.uk

or

- Eastern European members

- int@adultworkwebcammers.co.uk

also email admin@dailypayservice.com to let them you have done this now.

SM will then add your account into the studio.
