

How long does it take after my paxum transfer arrives do you send it out?

Once noticed on our end, its sent instantly. A bank transfer may take 0-1 working days to arrive.

We check and action the requests multiple times per each 24hour period but allow up to 24hours for us to action it.

If you communicate on an instantly messaging platform with us, eg skype, whatsapp etc we can action the request instantly for you.
